Homeowners ready to instruct

Receive opportunities from homeowners actively arranging a Home Report in your coverage area.

Access incremental business

Quote for homeowner instructions you may not otherwise receive through your existing referral channels.

Simple partner portal

Easy-to-use portal to review opportunities, submit quotes and manage activity in one place.

Track opportunities & performance

Monitor enquiries, responses and win rates with clear reporting in real time.

A complementary source of instructions

Home Report Compare gives surveying firms an additional route to homeowner instructions, helping partners compete for business from homeowners sourcing their Home Report independently.

Designed for leading surveying firms

- ✓ Established surveying brands
- ✓ Regional and multi-branch coverage
- ✓ Firms looking to grow direct homeowner instructions
